2021 Vienna Cancellation

Due to health concerns relating to the spread of coronavirus disease (COVID-19), the Alcohol School in Vienna, Austria has been cancelled for 2021. We have rescheduled the school at the same location from April 3-8, 2022.

The Ethanol Technology Institute and Lallemand Biofuels & Distilled Spirits leadership has been closely monitoring the spread of COVID-19, as well as listening to advice from the World Health Organization (WHO), U.S. Center for Disease Control (CDC), and the Austrian government regarding risks associated with international conferences and other large gatherings in enclosed spaces. Our decision to cancel the school was based on deep concern for the health and well-being of our registrants and staff. While it seems that the COVID-19 situation has started to improve with the distribution of the vaccine, more progress will need to be made before we can host the school in a manner in which we could reasonably ensure the health and safety of all participants.

We recognize many of you will be disappointed in this decision and we share your disappointment. However, your health and safety is our paramount concern.

We cannot thank you enough for your understanding, support, and well wishes during a difficult time for all. We extend our heartfelt wishes that you and your families remain in good health.

For now, we are still planning to host the Alcohol School in Montréal later this year (September 12-17). Of course, this will depend on restrictions and the decisions of local authorities. We will continue to send updates with new information as it becomes available.

Will my registration fee for the school be refunded?

We intend on rolling over all registrations for the school occurring in 2021. However, if you would like a full refund immediately, please contact Liz Ward at lward@lallemand.com to get the process started.
